LEAVING NOTHING
TO BE DESIRED - A HOLIDAY
AT THE BAREISS 2024

Prices & offers

Dear guests

Here you have the current price list, and with it the whole Bareiss in your hands. Almost.

Everything you need for a perfect holiday at the Bareiss is contained in these pages... isn't it? Well yes... and no. We couldn't quite fit the whole Bareiss experience - with its range of offerings to suit both young and old in accommodation, gastronomy, leisure, wellness, sport and nature - into a mere 52 pages.

It would be an impossible task to summarise everything that is important about the Bareiss in so few pages ...

Bareiss - the resort with something for everyone. For families in all their constellations, for mum, dad, grandma, grandpa, children and grandchildren; for young couples and for couples young at heart; for single people; for nature lovers and sports fans; for culture-seekers, hikers, gourmets and wellness-cravers, for those who want their peace and quiet; for those who like to be sociable. The Bareiss is an oasis for each and every guest, whatever their needs.

So if we can ever be of help to you in tailoring the perfect holiday for you, we would be delighted to assist you, whether by email or phone - whichever you find most convenient.

The Bareiss, however, doesn't shy away from progress and change. Our new floor of suites will be completed in July 2024 and can already be booked, then there's the new Bareiss restaurant which will open its doors in March 2024, not to mention the newly designed reception, and the Bareiss app with which you can contact the Bareiss and update your booking any time you want. The most up-to-date information on all these features can be found on the website.

But these changes and renovations do not alter the fact that the Bareiss has remained true to itself and will always be your familiar »old« Bareiss, where that which takes centre stages is your relaxation, your well-being, and your satisfaction. In a nutshell, the Bareiss revolves around your holiday happiness. It's all about you, and only you.

So, welcome, bienvenue, willkommen to the Bareiss! We are very much looking forward to your visit!

With our warmest greetings,

Your Bareiss Family

ERECTING THE MAYPOLE AND 1ST MAY HIKE

Welcome in the merry month of May with an invigorating hike: We like to honour the ancient May time traditions here in the Black Forest and invite our guests to watch the erection of the maypole at the Morlokhof and celebrate the 1st of May in the proper fashion with a series of highlights for young and old.

TRADITIONAL MAYPOLE ERECTION ON 30.04.2024

For our maypole, a special Black Forest fir tree will be felled, planed, sanded and decorated for the occasion. It will be erected in the afternoon by carpenters dressed in traditional costumes using a special technique, and then applauded and sung to as per tradition. We will serve the regional specialities of onion tart, apple cider and other delicacies. An accordion player will accompany the event and the old Morlok usually drops by for a visit.

1ST MAY HIKE

We will set off for the hike to the Morlokhof in the morning, arriving around noon. Two groups will be available: the adults group, which includes a slightly longer route and special culinary and musical accompaniment thanks to the Mitteltal »Trachtenkapelle« local band. The second group is for children, who will set off with their supervisors and the Bareiss ponies to the Sattellei hiking cabin. Here everyone will meet up again, there will be a hearty brunch buffet and time for families to hang out together, accompanied by lively accordion playing.

WONDERFUL HOLIDAYS FOR THE ENTIRE FAMILY!

Quality time together is the most precious thing a family can have, and holidays are the most anticipated times of the year for many families. So that minis, maxis and teens can explore their own worlds and meet friends of the same age, Bareiss provides an exciting children's kingdom, full of animals and a daily changing, supervised children's activity programme for all ages. The Villa Kunterbunt team never runs out of ideas and the youngsters are in safe hands here.

We are happy to organise experienced babysitters for babies and toddlers. The Bareiss Children's World offers fun and games in the Villa Kunterbunt and in the Villa Sternenstaub with its tree house and playground, carousel and circus wagon as well as an adventure playground and water playground. Not to mention our youth club in the House of Games for the teens. The Bareiss animal world includes the Bareiss riding stables, petting zoo, fallow deer enclosure, apiary, and the trout farm.
